

ASIA PACIFIC REGIONAL TAX CONFERENCE

“GLOBALISATION OF TAX RULES IN A DE-GLOBALISING WORLD”

**Marina Bay Sands Hotel
August 16-17, 2023**

Tax Technology: What are governments designing and how will that impact the taxpayers?

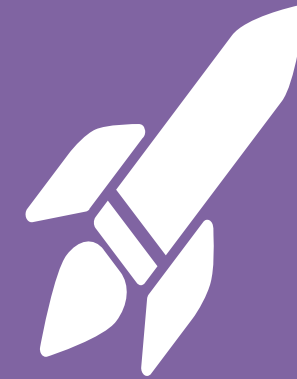

Revenue authorities are Digitising

Traditional manual filing and audit approach

Evolution

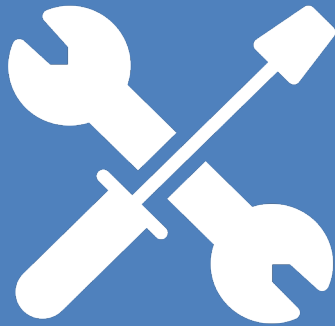

Global Transformation driving change

Digital interactions with taxpayers

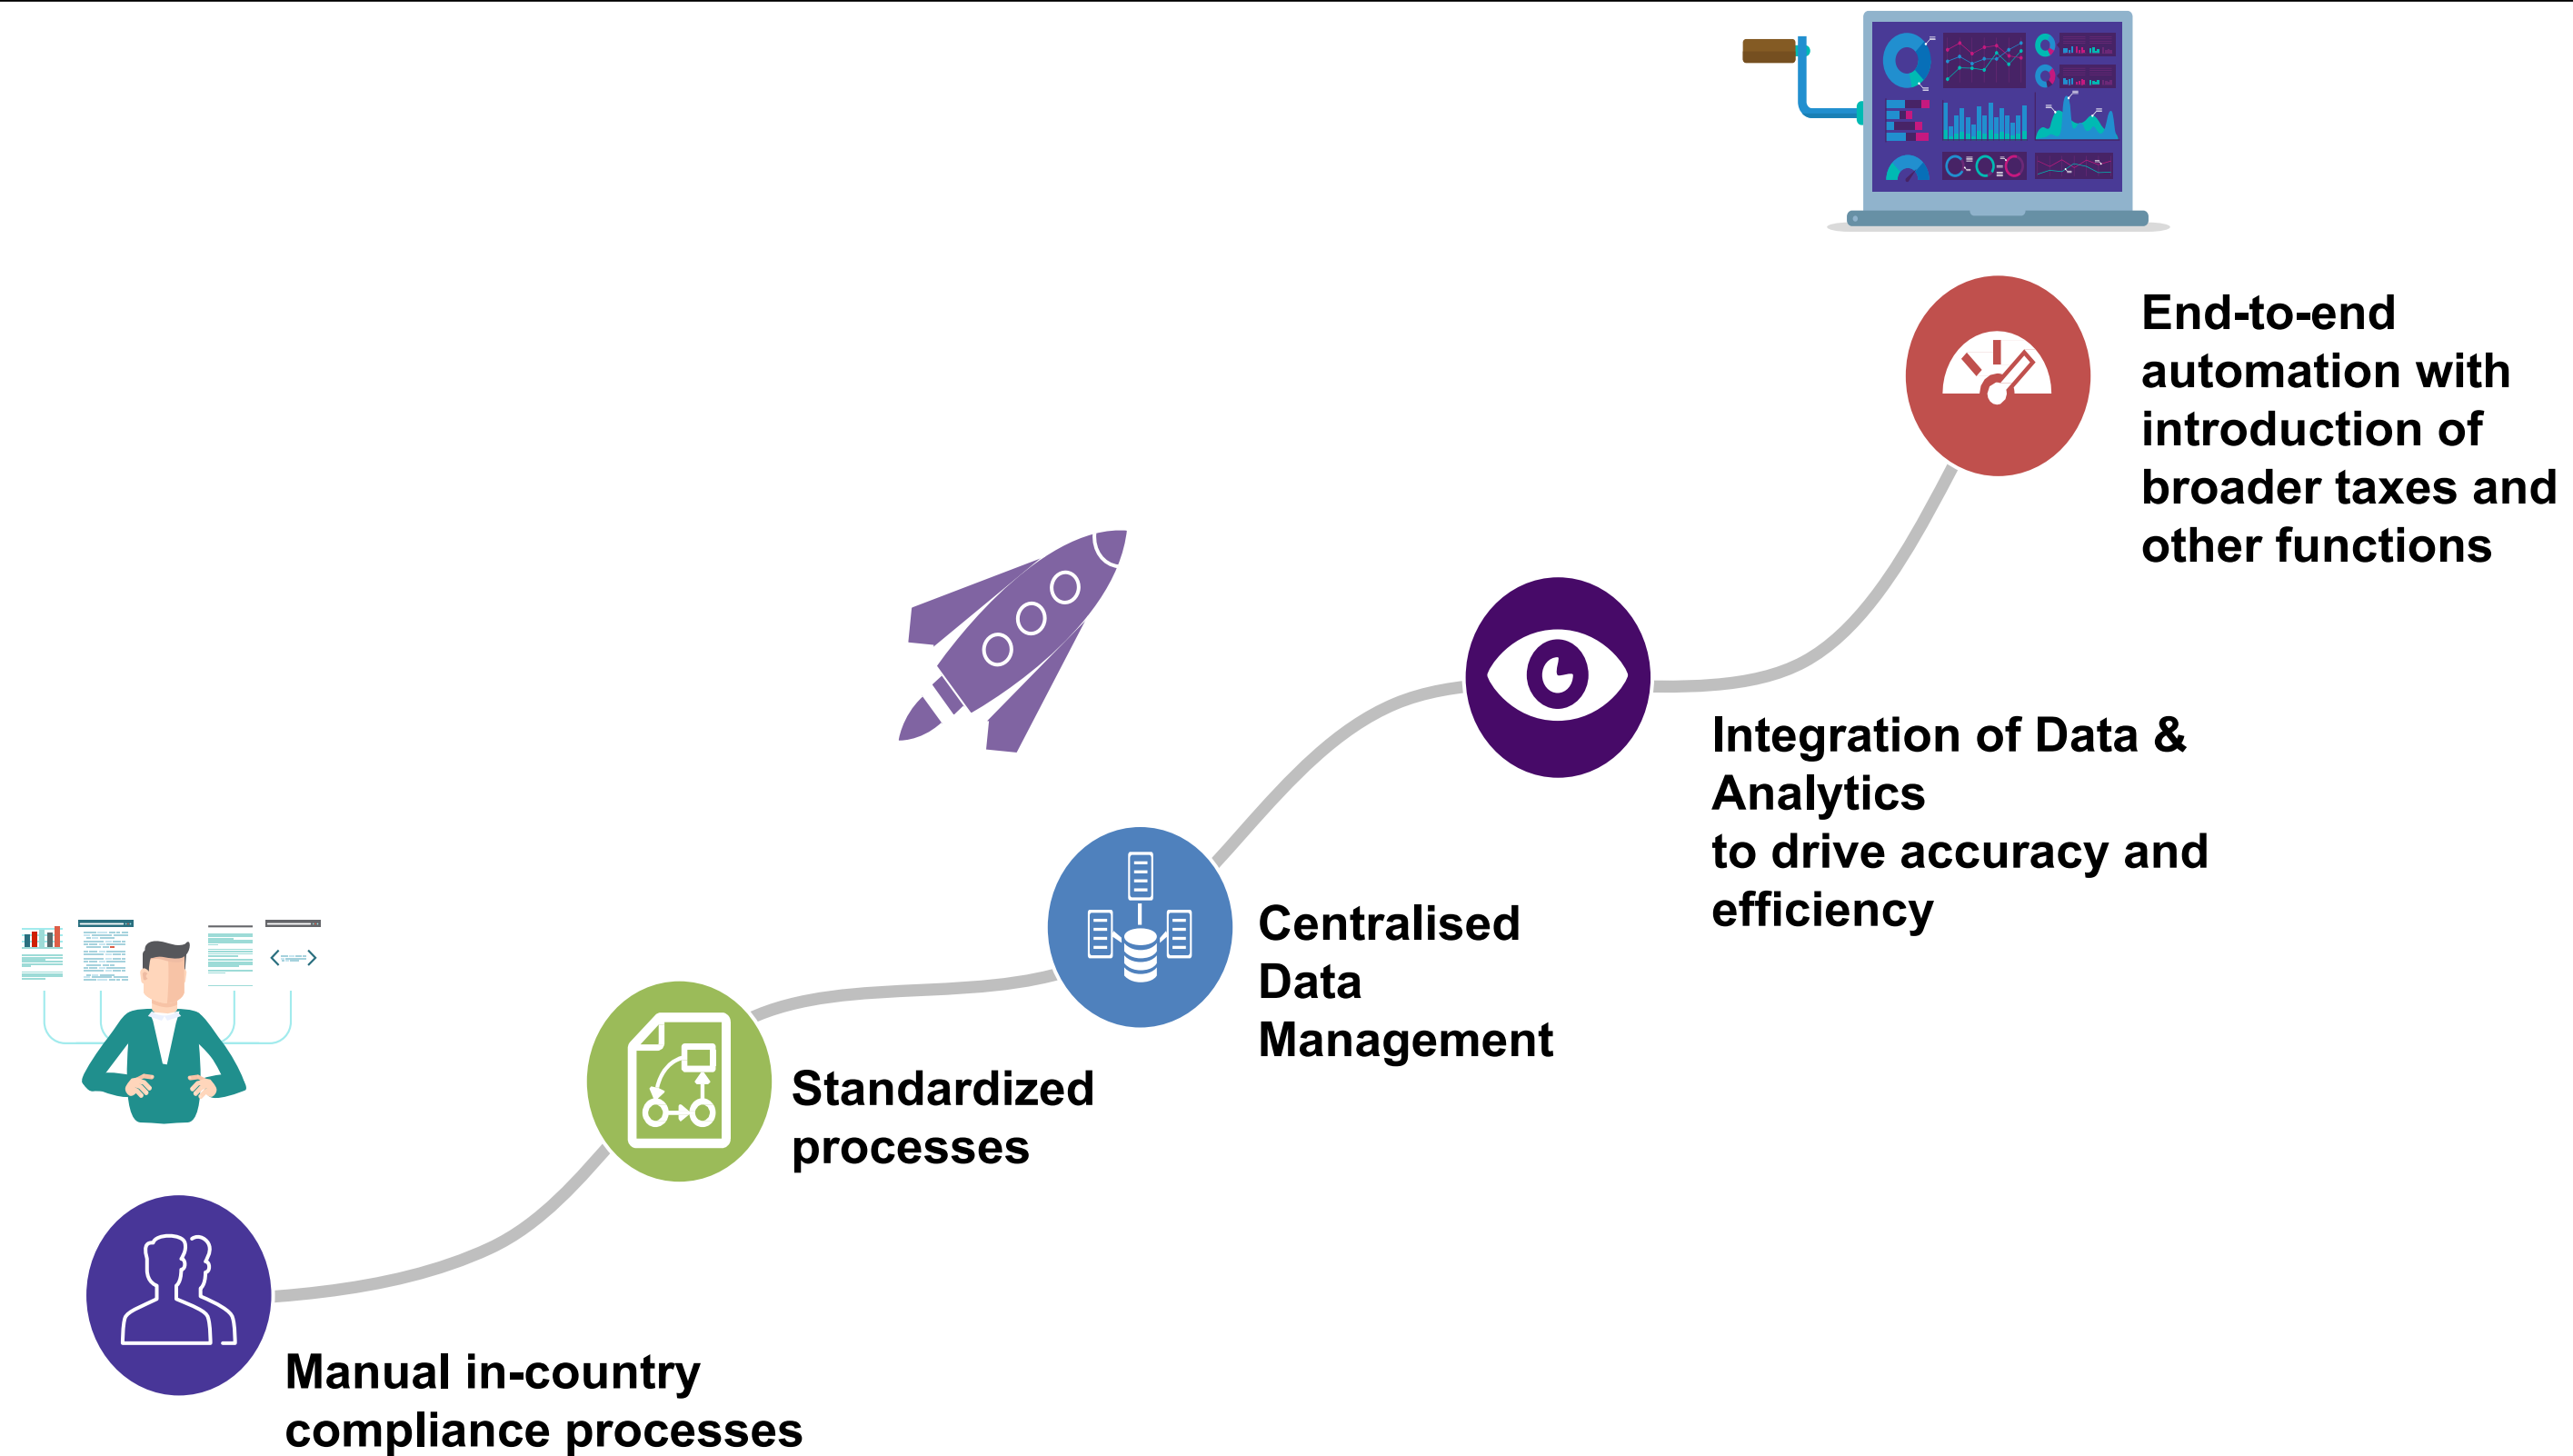

Deployment of Data and analytics Capabilities

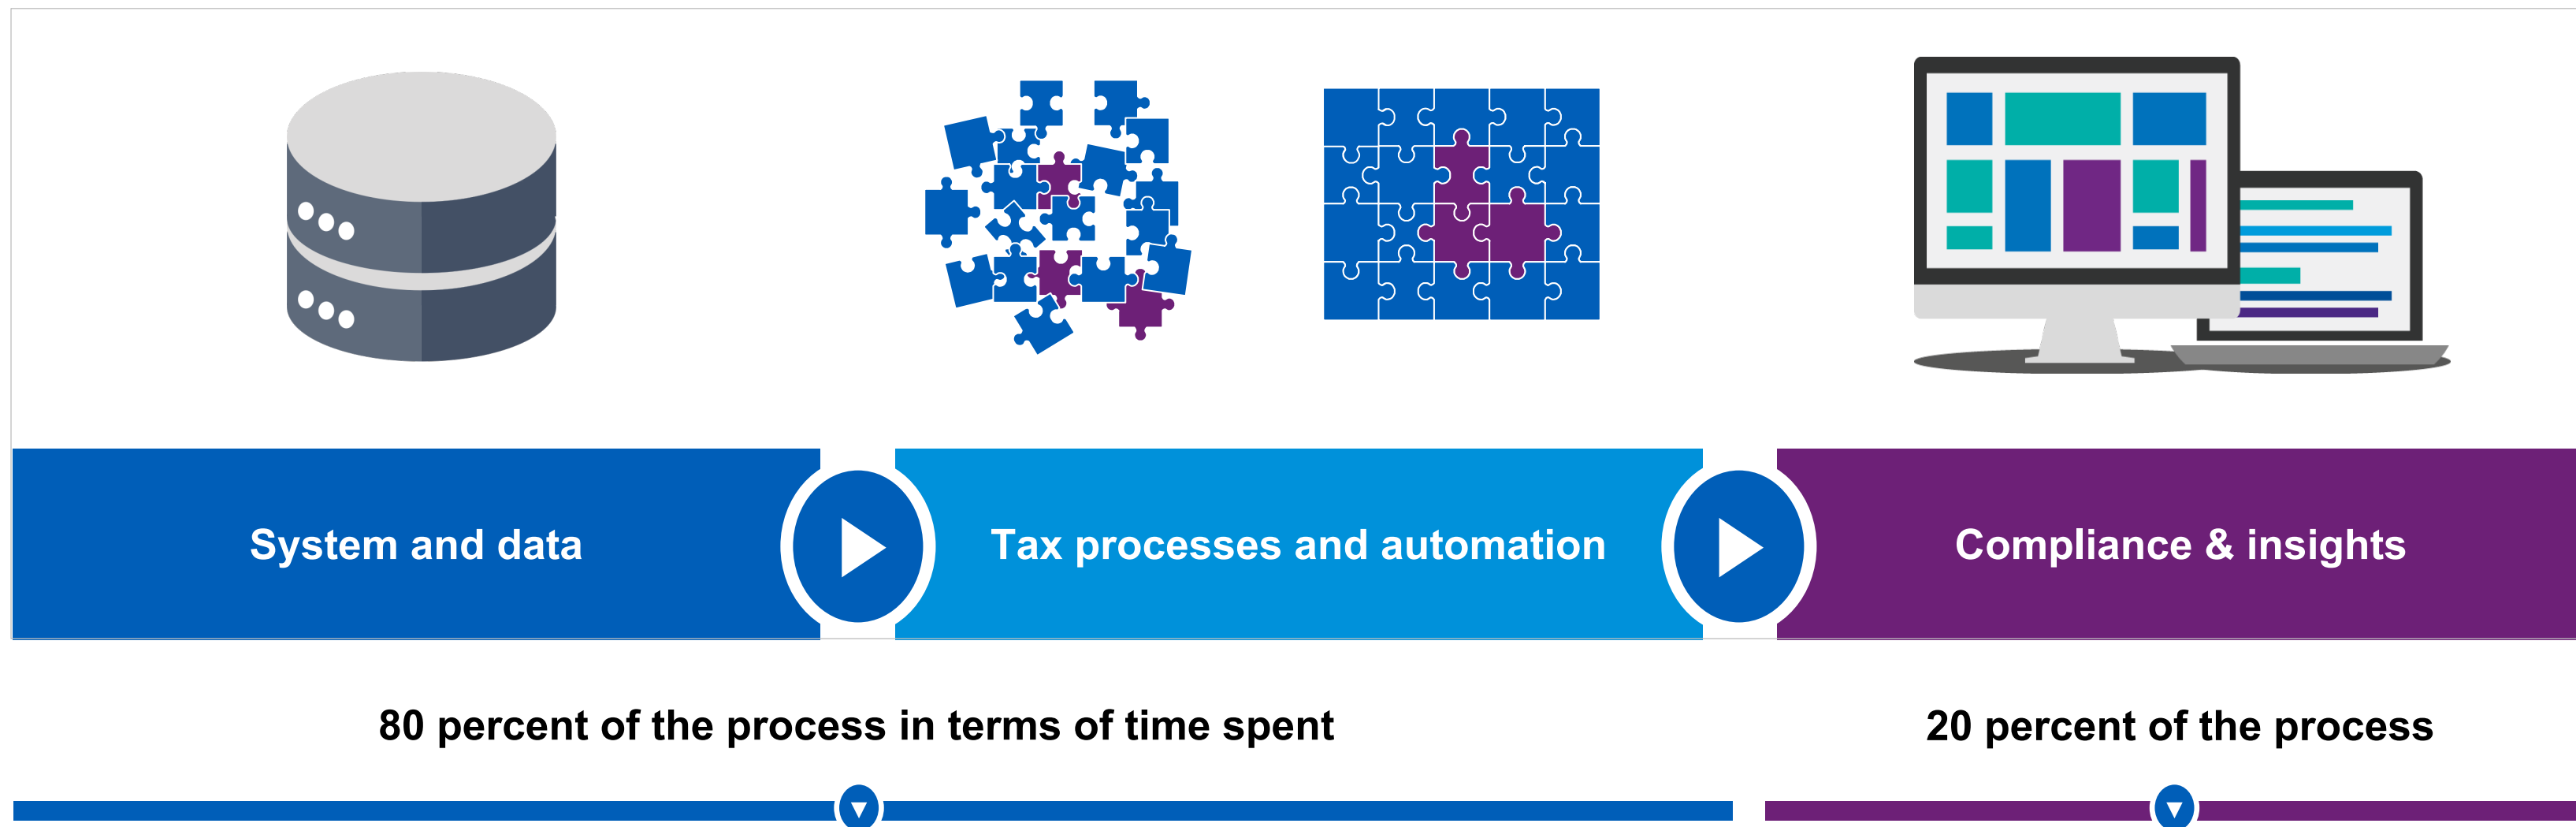

Process automation supported by a Data Driven approach

Businesses are transforming

Is technology the answer?

Organizations should get the foundations right and reduce the required efforts to 30 percent

Adding tax value by deploying insight solutions and compliance software

THANK YOU
